

think... Peel & Read

So much to say and so little space to say it!

A 'Peel & Read' label on your product gives you the flexibility and the extra space you need.

A Peel & Read label has many uses - multiple languages, offer information, recipe ideas for food packaging, legal data... literally, endless opportunities!

The Benefits

- Multiple languages on one label
- Potential worldwide sales
- Full colour graphics throughout
- Less label variants needed
- Avoids unnecessary stock
- Auto - labeller compatible
- Variable data and images
- A great way to promote other products across your range
